Protecting your private information is our priority. This Statement of Privacy applies to http://spacewx.com and Space Environment Technologies and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Space Environment Technologies include http://spacewx.com and its subsidiary websites. Please see separate section at the end of this Policy for ARMAS. The SET website is an Ecommerce site. By using the SET website, you consent to the data practices described in this statement.

Collection of your Personal Information

In order to better provide you with products and services offered on our Site, SET or its third-party designated surrogate, may collect personally identifiable information, such as your:

- First and Last Name, email, phone, address
- Credit Card information
- Business sector information
- Username and password for accessing SET-hosted accounts

We do not collect any personal information about you unless you voluntarily provide it to us. However, you may be required to provide certain personal information to us when you elect to use certain products or services available on the Site. These may include: (a) registering for an account on our Site; (b) entering a sweepstakes or contest sponsored by us or one of our partners; (c) signing up for special offers from selected third parties; (d) sending us an email message; (e) submitting your credit card or other payment information when ordering and purchasing products and services on our Site. To wit, we will use your information for, but not limited to, communicating with you in relation to services and/or products you have requested from us. We also may gather additional personal or non-personal information in the future.

Use of your Personal Information

SET collects and uses your personal information to operate its website(s) and deliver the services you have requested.

SET may also use your personally identifiable information to inform you of other products or services available from SET and its affiliates.

Sharing Information with Third Parties

SET does not sell, rent or lease its customer lists to third parties.
SET may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to SET, and they are required to maintain the confidentiality of your information.

SET may disclose your personal information, without notice, if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on SET or the site; (b) protect and defend the rights or property of SET; and/or (c) act under exigent circumstances to protect the personal safety of users of SET, or the public.

**Automatically Collected Information**

Information about your computer hardware and software may be automatically collected by SET. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the SET website.

**Security of your Personal Information**

SET secures your personal information from unauthorized access, use, or disclosure. SET uses the following methods for this purpose:

- **SSL Protocol**

When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

We strive to take appropriate security measures to protect against unauthorized access to or alteration of your personal information. Unfortunately, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, you acknowledge that: (a) there are security and privacy limitations inherent to the Internet which are beyond our control; and (b) security, integrity, and privacy of any and all information and data exchanged between you and us through this Site cannot be guaranteed.
Children Under Thirteen

SET does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

External Data Storage Sites

We may store your data on servers provided by third party hosting vendors with whom we have contracted.

Changes to this Statement

SET reserves the right to change this Privacy Policy from time to time. We will notify you about significant changes in the way we treat personal information by sending a notice to the primary email address specified in your account, by placing a prominent notice on our site, and/or by updating any privacy information on this page. Your continued use of the Site and/or Services available through this Site after such modifications will constitute your: (a) acknowledgment of the modified Privacy Policy; and (b) agreement to abide and be bound by that Policy.

Protecting your private information is our priority. This Statement of Privacy applies to the Space Environment Technologies’ ARMAS app for iOS devices and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Space Environment Technologies include http://spacewx.com, SET, ARMAS and http://sol.spacenvironment.net/ARMAS/. The SET website, separate from the app, is an eCommerce site. By using the ARMAS app, you consent to the data practices described in this statement.

Collection of your Flight Information

In order to better provide you with products and services offered on our app, SET may collect the following personally identifiable information:

- Flight ICAO carrier, flight number and/or vehicle tail number information

We do not collect any personal information about you unless you voluntarily provide it to us. However, you may be required to provide certain personal information to a third-party provider (Apple) when you elect to use certain products or services available via the app. These may include: (a) opting to send an email message containing dose information; (b) submitting a credit card or other payment information when ordering and purchasing upgraded products, services and subscriptions. We will use your information for communicating with you in relation to services and/or products you have requested from us.

Use of your Flight Information

- SET does not collect Personal Identifiable Information (PID) through your use of the ARMAS app.
- SET collects and uses your flight ICAO carrier, flight number and/or vehicle tail number information to calculate your requested effective dose rates and deliver them back to your app.
- SET uses your flight information, unless covered by a mutually signed data embargo agreement, for scientific research purposes and provides the non-identifiable flight information on its archival public website (https://sol.spacenvironment.net/ARMAS_Archive/)

SET does not use this information to inform you of other products or services available from SET and its affiliates.

Sharing Information with Third Parties
SET does not sell, rent or lease its customer lists to third parties.

SET does not share ICAO carrier, flight number and/or vehicle tail number information data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries.

SET does not disclose the specific ICAO carrier, flight number and/or vehicle tail number information provide through this app unless required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on SET or the site; (b) protect and defend the rights or property of SET; and/or (c) act under exigent circumstances to protect the personal safety of users of SET, or the public.

Automatically Collected Information

Information about the ARMAS FM7 and app’s hardware and software may be automatically collected by SET through the app. This information can include: the FM7’s dose information and UUID address, the FM7 firmware version, and the app’s processing of the dose data into dose rates as well as it’s software version during normal operation of the app. A user may select debug mode to be on and ancillary debugging information will also be made available to the user and the downlink data stream. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the ARMAS app.

Security of your Personal Information

SET secures your app’s information from unauthorized access, use, or disclosure. SET uses the following methods for this purpose:

- SSL Protocol

For example, when personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

We strive to take all necessary security measures to protect against unauthorized access to or alteration of your transmitted information. Unfortunately, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your information, you acknowledge that: (a) there are security and privacy limitations inherent to the Internet which are beyond our control; and (b) security, integrity, and privacy of any and all information and data exchanged between you and us through this Site cannot be guaranteed.
Children Under Thirteen

SET does not knowingly collect information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

External Data Storage Sites

SET stores your data on servers provided by third party hosting vendors with whom we have contracted and who contractually maintain rigorous security protocols on our behalf for ARMAS systems.

Changes to this Statement

SET reserves the right to change this Privacy Policy. We will notify you about significant changes in the way we treat personal information by placing a prominent notice on our Privacy Policy site available through an app link, and/or by updating any privacy information on this page. Your continued use of the ARMAS app and its Services available after such modifications will constitute your: (a) acknowledgment of the modified Privacy Policy; and (b) agreement to abide and be bound by that Policy.
